

TOWN OF HOPKINTON, NEW HAMPSHIRE

WINTER MAINTENANCE-SIDEWALKS AND TOWN PARKING LOTS

POLICY NO. 13

1. Parking lots will be plowed after roads have been cleared. Snow might accumulate Several inches before parking lots are plowed.
2. Town sidewalks will be plowed after the storm is over. The individual who plows the sidewalks also has a road plow route. Therefore, no one is available to plow sidewalks until roads are clear and treated.
3. Sanding Town parking lots will be done when the roads are being treated after the Storm is over.
4. Sanding Town sidewalks will be done as needed after roads have been treated. Each Highway Department employee has a designated road sanding route, so no one is available to sand sidewalks until after roads are treated.
5. Some sidewalks cannot be plowed because of their location and width, particularly if there is substantial snow accumulation. These particular walks have never been plowed. Some sidewalks that are located at the edge of State roads have to be closed if there is an abnormal amount of snow.
